Health Services Academy (HSA), Islamabad Ministry of Health, Government of Pakistan

The HSA was established in 1988 to provide short training courses to in-service public health practitioners & professionals. The promulgation of HSA Ordinance, 2002 gave it an autonomous status. Over the years, it has established itself as the premier research & teaching institution of public health. Today, it is the only institution that offers Ph.D. in Public Health in Pakistan. It also offers FCPS, MS in Public Health, & MEDVC, M.Sc. in Health Economics & Management & a PG Certificate - Human Resource in Health. The Academy remains committed to strengthen the capacity of public health professionals by excellence in teaching, research, and policy advice.
